## 2. Major Events that Have Occurred During the Preceding Week:

a. On 3 December, representatives from the New Building Project Office, OL, and the General Services Administration construction manager met with [redacted] Associate General Counsel, and [redacted] Assistant General Counsel, on the 24 November emergency generator incident. The incident involved the disabling of four emergency generators by a Bid Package 2 (Powerhouse) subcontractor due to contractual problems with the prime contractor. The purpose of the meeting was to gather facts to determine if the incident should be reported to the Department of Justice. During our discussion, [redacted] identified other individuals whom he also will interview. Once all the facts have been gathered, [redacted] will consult with ~~appropriate Agency managers~~ (to include the Director of Logistics and the Deputy Director for Administration) prior to taking further action. [redacted]

b. On 3 December, Ms. Lilla Richards from the McLean Citizens Association telephoned the Chief, New Building Project (NBPO), OL, regarding the Scattergood-Thorne property. Specifically, she expressed the desire of a number of interested citizens that the house on the property not be demolished. She asked if CIA would provide a letter indicating that the house would not be destroyed. Following a discussion with the Director of Logistics on 5 December, Chief, NBPO, advised Ms. Richards on 8 December that the property currently belongs to General Services Administration, and that CIA has not determined exactly how the property would be utilized should it be transferred to the Agency. Ms. Richards indicated she wished to express the citizens' concern in writing. Chief, NBPO, provided her with the Director of Logistics' official mailing address. [redacted]
